

CLEANROOM ROLL DISPENSER STANDS FOR TECOR SL06B ROLLS

• VERSATILE CLEANING SOLUTION

The Tecor SL06B Roll and Stand is designed for heavy-duty cleaning across multiple industries, including manufacturing, food processing, and construction.

• DETACHABLE HANDLE AND STAND

Features a removable handle and stand, ensuring easy maneuverability and convenient storage.

• MOUNTING OPTIONS

Can be mounted on benches or walls, or used as a floor model for positioning alongside machines.

• RASH BAG ATTACHMENT

Includes a provision for attaching a rash bag, adding to its functionality and convenience.

• DURABLE AND RELIABLE

An excellent choice for industries demanding robust and long-lasting cleaning equipment.

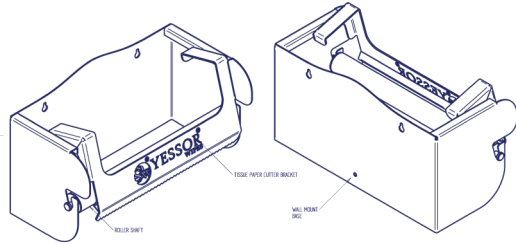

• REFILL OPTIONS

Refills are available in different sizes to suit various needs.

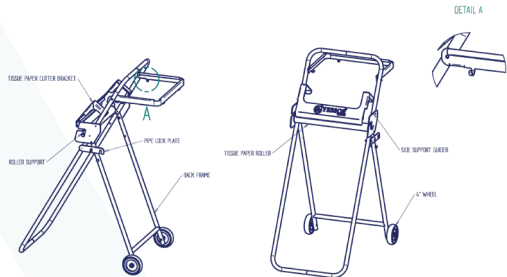

• PERFORATED ROLLS

Perforated 70gsm polycellulose wiper rolls allow for smart and quick wiping tasks, enhancing efficiency.
